### Contract for testing cashmere fibre samples by

### Research and Development Institute of Light Industry, Ulan Bataar, Mongolia

Tuvet Cashmere NGO (Kyrgyzstan) and Odessa Centre Ltd. (UK) request the services of the Research and Development Institute of Light Industry, Mongolia, to carry out tests as follows:

- 1) 97 greasy combed samples (weight approx. 10 gm each) tested for **mean fibre diameter (MFD)** by OFDA IWTO47.  
Price €14 per sample X 97 = € 1358
- 2) 97 greasy combed samples to be tested for **mean fibre length (MFL)** by hand drawing method (MNS4054)  
Price €17 per sample X 97 = € 1649
- 3) 97 greasy combed samples manually separated from coarse hair for lab testings.  
Price € 5 per sample X 97 = € 485

Results to be emailed to Carol Kerven and Sabyr Toigonbaev by June 15 ,2019, in Excel format.

Total to be paid by bank transfer from Kyrgyzstan on completion of testing = € 3492
